

# COMPUTER NETWORK POLICY

---

## **Student use of computers**

All students need to value the learning advantages enhanced by technology at this school. If students do not respect the computers and fail to treat them with care, the following sanctions will be applied. An offence is:

- Any action taken by a student that makes the computer unusable or disabled which will subsequently hinder other student's learning
- Any misuse of the Internet (penalty will apply only to Internet access). Misuse means any use of the Internet not directly related to a course of study
- Allowing another student to know a password or use an account other than their own

## **Sanctions**

### First Offence

- Students are banned for two (2) weeks and their password is disabled. This ban will be applied across the school and Community service may be imposed. Parents will be notified.

### Second Offence

- Students are banned for four (4) weeks, parents notified. Student and parent will be interviewed by the Principal.

### Third Offence

- Students are banned for ten (10) weeks, parents notified and students may be suspended.
