INFORMATION YOU SHOULD KNOW

- This service enables students to upload content. Teachers should supervise students to ensure they only upload personally identifiable content, including photos, that are required.

TIPS FOR PROTECTING PERSONAL INFORMATION
Practise and teach safe online practices (see below)

Data minimisation
Only provide personal information that is essential for use of the service. Reconsider sharing any optional information including photos. Remind students not to post any photos of other people without permission from the individual and parent.

Highest privacy settings
Always check the privacy settings available and apply the highest level.
