

## STUDENT DRESS CODE

The Department of Education Policy on school dress code allows schools to make the wearing of school uniform a requirement. The School Board has endorsed a dress code for all students attending this school. The School Board believes a school dress code:

- fosters and enhances the public image of the school
- assists in building school and team spirit
- ensures students are safely dressed for specific school activities
- encourages equality among students
- prepares students for the workplace, as many workplaces have dress and safety codes and expectations.

### Safety Requirements

- It is a safety requirement that students attending Design and Technology, Home Economics and Science classes wear covered footwear.
- Footwear: No thongs, health sandals, 'Ugg' style boots or any shoes deemed to be unsafe.

## School Uniform Management

Students unable to meet the Student Dress Code on a given day are required to report to Student Services before school with a valid reason. Their names will be recorded and they will be issued with a Uniform Infringement Notice. Students may be requested to change into school uniform provided by Student Services.

Students who attend classes out of uniform and without a Uniform Infringement Notice will be issued with a Uniform Infringement Notice by their class teacher and have their names forwarded to the Student Services.

After **two** Uniform Infringement Notices, students will be placed on detention at lunchtime. This will occur for each and every infringement thereafter.

Repeat offenders will be referred to Student Services Manager by their Year Coordinator and further consequences may be enacted.
