SCHOOL BOARD MEETING MINUTES

Date: Monday 3 November 2025
Venue: Conference Room, Administration Office
Time: 6.00pm – 7.30pm

Meeting Opened: 6:00pm

Attendance and Apologies
Present: Myles Draper (Principal), David Ford (Co-Chair & Staff), Sophie Norman (MCS), Renay Down (Staff), Martina Gilligan (Staff), Martin Flaig (Parent), Vinh Nguyen (Parent), Brendan Everett (Parent), Vilko Poznovia (Community), Hannah von Ahlefeld (Chair), Rebecca Newton (Parent), Aileen Eiszele (Co-opted), Courtney King (Parent), Michael Quirk (Co-opted), Rennae Young (Executive Assistant), Marisha Kemp (incoming Parent)

Apologies: Piper Allison (Head Girl), Jun Matsuda (Head Boy), Jake Wilkins (Parent), Kellie Ketteringham (Staff)

Minutes: Rennae Young

Acknowledgement of Country
David Ford gave the welcome to country. "We respect and honour the traditional custodians of this land, the Whadjuk Noongar people. We acknowledge the histories, traditions and living cultures of Aboriginal and Torres Strait Islander peoples on this land and commit to building a brighter future together. *Nguny djurapin, nguny koort djurapin wanganiny noonakoort*. We are happy, our heart is happy to be speaking with you all."

1. **Welcome**
David Ford welcomed all Board members with special mention to new members, Marisha (parent), Jack Visser (student) and Linea Gifford (student). David also acknowledged Brendan Everett's contribution to the DSHS board and his last Board meeting.

2. **The Duncraig Difference: Specialist, G&T and SBAE Programs at Duncraig SHS**
Nicole Baker, Associate Principal, Curriculum and Engagement - apology

In Nicole's absence, Myles briefly discussed the proposed STEM Specialist Program. This program will commence with Year 8 students in 2027, starting with an initial trial to determine suitability. The approach will be to begin on a small scale to build confidence and effectiveness. During discussion, Renay raised a question regarding the possibility of this program offering a scholarship opportunity for Gifted and Talented students who were unsuccessful in the initial selection.

PowerPoint presentation is available for reference.

3. **Minutes of Previous Meeting – 8 September 2025 - Refer Appendix 1**
David Ford proposed that the Board should approve the Minutes of 8 September 2025 as true and correct. This was seconded by Renay Down and Aileen Eiszele. All in favour.

4. **Committee Reports**

Principals Report – *Myles Draper* – Refer Appendix 2
David Ford proposed that the Board should note the Principals Report of 8 September 2025. This was seconded by Kellie Ketteringham. All in favour.

Students' Report – *Jack Visser & Linea Gifford*

Jun Matsuda and Piper Allison were an apology

Jack Visser & Linea Gifford gave an overview of the Year 11 timeline of events. They noted that the Head Students for 2026 were announced at the Year 12 Assembly, students are currently in the middle of exams and the Year 11 Leavers Jacket Assembly will be held on Wednesday, 6th November. They also reported student leader involvement in the Teachers' Appreciation Morning Tea.

Finance Reports – *Sophie Norman - Manager Corporate Services* – Refer Appendix 3

David Ford proposed that the Board should note the MCS Finance Report of 29 October 2025 and Finance Committee minutes from 29 October 2025. This was seconded by Martin Flaig

Discussed in detail below in Item 6 '2026 Charges and Contributions and Booklists'

5. Correspondence

- Letter to Hon. Sabine Winton, Minister for Education, 10 September 2025,
  Invitation to Duncraig SHS and Update on Stage 2 Redevelopment of Duncraig SHS and response

  A letter was sent to the Hon. Sabine Winton, Minister for Education, on 10 September 2025, inviting her to visit Duncraig Senior High School and providing an update on Stage 2 of the school's redevelopment. A response was received confirming that Minister Winton will officially open the new English and Science blocks on 25 November. During the tour, Myles will showcase the school's facilities and achievements to ensure the Minister leaves with a positive impression of the school. This approach is intended to encourage future support for improving facilities, rather than focusing on current shortcomings.

- WA Sport Award 2025: School Board nomination for DSHS Triathlon Academy

  Victoria Burrows-Bilton requested that the Triathlon Program be nominated for the WA Sport Award 2025, with nominations having opened last week. The program has achieved significant success at both State and National levels, and Mel Farnley has provided endorsement from Triathlon WA. The School Board is required to submit the nomination, and all members agreed to proceed. The submission will include the school's promotional video.

6. 2026 Charges and Contributions, Additional Costs and Booklists

The School Board APPROVE the 2026 Charges and Contributions, Additional Costs & Booklists. (Attachment 3)

The School Board was invited to approve the 2026 Charges and Contributions, Additional Costs and Booklists (Attachment 3), which had already been endorsed by the Finance Committee. Sophie provided an overview of additional charges and subject costs, emphasising the importance of disclosing anticipated costs to parents. The Board discussed the option of requesting a 50% deposit for high-cost and specialist programs prior to the start of the school year, with a soft launch in 2026 and full implementation in 2027. A hardship application process will remain available for families in financial need, and future communication will clarify selection criteria. Communication strategies will be implemented throughout 2026 to educate and prepare parents for these changes. The potential for an SSO payment facility to confirm high-cost course selections was noted for consideration. The P&C will receive deficit funds from students who did not claim the Student Assistance Program.

David moved the motion, and all members were in favour. The matter will be referred back to the Finance Committee.

7. Matters Arising

School Building Project (Myles Draper):

a. Repairs to Science block following flooding Term 2
Repairs to the Science block following flooding in Term 2 are ongoing. Most ceilings have been repaired, and work is continuing fixing the lift. The stairwell panelling remains in poor condition and will require further attention.

b. Update on covered walkway
Representatives from the Department of Education and Programmed visited the school to inspect the walkway. Tash, Sophie, and Hannah advocated for clarity on the timeline, which is currently set for April. The Board was reassured that the walkway will be funded and completed. The project must go to tender for eight weeks, followed by approximately two weeks of construction scheduled outside of term time.

c. Strategy to secure Stage 2 Schedule of Accommodation for Master Plan and FOI for Secondary School Planning Guidelines
The Department of Education has approved the revised schedule of accommodation. The architect has become aware of the Master Plan and has been encouraged to include a swimming pool in the design.

d. Minister's visit scheduled for 25 November 2025
Discussed above in Item 5 'Correspondence'

e. Pool proposal
The Board discussed the importance of ensuring that any net gain from the pool project delivers meaningful benefits for students compared to other required facilities and infrastructure. Consideration was given to whether building a purpose-built facility would provide sufficient value or if the costs would outweigh the benefits when compared to continued use of the existing Craigie Leisure Centre. There was also a brief discussion on the capability of having pool temperature varied across lanes to meet StateSwim requirements while accommodating the cooler temperatures preferred for triathlon swimming training. It was noted that this capability exists. Pool feasibility is ongoing with Aileen Eiszele's continued advocacy.

Traffic Safety Update (Myles Draper)
Myles Draper provided a traffic safety update. The pedestrian walkway has been approved, and the Board acknowledged Natasha Williams for her advocacy in achieving this outcome. A shortage of traffic wardens remains an issue, and the school is working with the P&C to address logistics and training requirements.

Update on School Business Plan (Myles Draper)
Myles Draper presented the draft School Business Plan, explaining that there will be two versions: a parent-facing document designed for use on communication platforms, which will be shorter and more concise, and an internal version that will provide greater detail for staff and operational purposes. The parent-facing Business Plan is in design stage.

Update from Student Services (Kellie Ketteringham) – *(including toilets and managing students behaviour)*
Kellie Ketteringham was an apology, so no official report was provided regarding toilets and managing student behaviour. However, feedback was shared by Aileen Eiszele from a parent perspective, highlighting the impact on non-offending students, including concerns about having to hold on, feeling scared to use the toilets, and arriving late to class as a result.

Kellie emailed the Student Services updates below:

- Currently reviewing procedures for staff and students ready for 2026.
- Have met with Harvey from Uniform Concepts and have received feedback from them indicating what bottoms are preferred by the students, the new track pants are a huge success and as proposed last year, we will discontinue the old style (only 32 left which will be donated to Student services for students out of uniform). We will also get new samples of the shorts and skirts in this new material before deciding which bottom style we will continue forward - no longer a PE version and the PE label will be removed - once decided we will bring this to the board for endorsement. The spray jacket will be implemented for 2026 as previously agreed upon by the board.
- With the Year 12s gone and Year 11s finishing on Wednesday, there will be a restructure in year groups which will be announced to staff tomorrow at our staff meeting:
  a. Kellie - Years 6 and 7
  b. Dani - Years 8 and 9
  c. Adam - Year 10

School Board Champion's Award (*Hannah von Ahlefeld*)

Hannah von Ahlefeld presented the School Board Champion's Award item. The Board agreed to continue with the previous payment format, allowing members to personally contribute at their own discretion by paying the school and receiving a receipt. Feedback was provided that the payment should not be mandatory. No formal agreement was reached, and the matter will be revisited in 2026. Some Board members indicated they would be happy to contribute for 2026.

P&C news (Hannah von Ahlefeld)

The next meeting is scheduled for Wednesday, 3rd November

School Board Heads Up (Rennae Young) – meeting ran over time, did not discuss

Noted

8. Any Other Business

Brendan addressed the 2026 Head Students about their roles and expectations as members of the School Board. He emphasised that they would be supported in their positions and encouraged them to reach out to the Board for assistance if needed.

The Board also acknowledged the B'Hai community for their contribution and organisation of the World Teachers' Day morning tea.

National Standard on addressing Bullying in Australian Schools – meeting ran over time, did not discuss

Meeting closed at 7:30pm.

School Board – Meeting Dates 2025

TERM 4 **8th December - Draft 2026 Budget review (date changed)**

www.DuncraigSHS.wa.edu.au

APPENDIX 1

MINUTES OF PREVIOUS MEETING
8 SEPTEMBER 2025

SCHOOL BOARD MEETING MINUTES

Date: Monday 8 September 2025
Venue: Conference Room, Administration Office
Time: 6.00pm – 7.30pm

Meeting Opened: 6:00pm

Attendance and Apologies
Present: Myles Draper (Principal), David Ford (Co-Chair & Staff), Sophie Norman (MCS), Kellie Ketteringham (Staff), Renay Down (Staff), Martina Gilligan (Staff), Martin Flaig (Parent), Vinh Nguyen (Parent), Brendan Everett (Parent), Vilko Poznovia (Community), Jake Wilkins (Parent), Hannah von Ahlefeld (Chair), Rebecca Newton (Parent), Aileen Eiszele (Co-opted), Courtney King (Parent), Michael Quirk (Co-opted), Rennae Young (Executive Assistant)

Apologies: Piper Allison (Head Girl), Jun Matsuda (Head Boy)

Minutes: Rennae Young

Acknowledgement of Country
David Ford gave the welcome to country. "We respect and honour the traditional custodians of this land, the Whadjuk Noongar people. We acknowledge the histories, traditions and living cultures of Aboriginal and Torres Strait Islander peoples on this land and commit to building a brighter future together. *Nguny djurapin, nguny koort djurapin wanganiny noonakoort*. We are happy, our heart is happy to be speaking with you all."

1. **Welcome**
   David Ford welcomed all Board members to the meeting.

2. **School Board Membership Issues:** Nomination of new School Board Community Member; upcoming Parent Member vacancies and School Board Chair; and matching Board competencies with the schools' needs and priorities.

Nomination of new School Board Community Member
The Board considered the nomination of Cameron Everett as a Community Member to replace Vilko Poznovia for a term of 3 years. Approximately a year ago, Cameron expressed interest in joining the Board, and at the time, it was agreed in principle that his participation would be welcomed once Brendan Everett's term concluded. Cameron has since demonstrated ongoing commitment to the school community, returning as a Cadet's Instructor after graduating in 2024. His dedication and enthusiasm were acknowledged by members, with particular support for his offer to assist with the Alumni Program. Board members expressed strong support for Cameron's appointment, valuing the perspective of a recent graduate. Hannah also endorsed Cameron as a good fit for the Board, citing his remarkable commitment to the school and broader community.

David moved that Cameron be accepted as a Community Member, with Renay seconding the motion

Upcoming School Board Parent Member vacancies and School Board Chair
The Board discussed upcoming school membership nominations, noting that the terms of two parent representatives, Rebecca Newton and Brendan Everett, will finish shortly. The need to nominate replacements as soon as possible was acknowledged. Hannah will review the Call for Nominations documentation so that

Myles and Rennae can launch a Call for Parent Nominations in the coming days. All Board members were encouraged to search for suitable candidates.
The Board acknowledged that Hannah von Ahlefeld would not be seeking another term as School Board Chair and discussed the need to identify a replacement. David invited recommendations from members, but none were received during the meeting. He noted that while he is willing to act as Chair in the short term, it is not sustainable for an employee to hold the role long term. Members were encouraged to express interest or contact Myles, Hannah, or David directly.

It was clarified that the Chair must be nominated from within the existing Board membership, as per the Terms of Reference, and there is no expectation for the incoming Chair to match the time commitment previously contributed by Hannah. The role is flexible and can be shaped around the individual's strengths and availability. Hannah offered to provide documentation outlining the responsibilities and processes involved, and emphasised the importance of advocacy, particularly in relation to school building projects.

Myles added that past Chairs have brought diverse skill sets from various professional backgrounds, and the Board has historically provided support or recruited additional members to complement the Chair's capabilities. The possibility of a Co-Chair arrangement was raised, with members noting that shared leadership can be effective and sustainable. The Board will continue to explore internal interest and, if necessary, consider external recruitment in the new year.

The Board agreed to commence the Call for Parent Nominations, with David and Rennae coordinating efforts, including outreach to incoming Year 7 parents via local primary schools. An election would only be held if there are more nominations than positions available, which has been the case for several years.

Matching Board competencies with the schools' needs and priorities
The school called for volunteers from the School Board Parent members to assist in communicating financial matters such as voluntary contributions, fees and charges, and available payment options. It was noted that while staff can explain these processes, a parent perspective may better resonate with the broader parent community. Strategies under consideration include clearer messaging around payment plans, "set and forget" options, and potential incentives for timely payments. The issue of non-payment, particularly in high-cost subjects such as Outdoor Education and Food Technology, was raised, with suggestions to require partial upfront payments to ensure commitment. Current compliance sits at approximately 69%, down from 71% the previous year, with financial pressures cited as a contributing factor. The Board also discussed the possibility of conducting anonymous market research to better understand parent concerns and awareness. Courtney Howarth, with a background in change management and communication, offered to support the initiative, and will work with the school to develop strategies for improving engagement and understanding. It was noted that existing efforts, such as Year 7 orientation sessions, could be expanded to include clearer financial messaging.

www.DuncraigSHS.wa.edu.au

3. Minutes of Previous Meeting – 11 August 2025 - Refer Appendix 1
David Ford proposed that the Board should approve the Minutes of 11 August 2025 as true and correct. This was seconded by Renay Down and Kellie Ketteringham. All in favour.

4. Committee Reports

Principals Report – *Myles Draper* – Refer Appendix 2
David Ford proposed that the Board should note the Principals Report of 8 September 2025. This was seconded by Kellie Ketteringham. All in favour.

Students' Report – *Myles Draper*

In the absence of Jun and Piper, Myles gave an overview of the Year 12 timeline of events on their behalf. During Week 8, a series of themed days were held to celebrate the final weeks of Year 12. On Monday, 8 September, students participated in a "Dress like an old person" theme. Tuesday, 9 September featured the Athletics Carnival, which included a 100m costume parade where students were encouraged to wear fun, creative, and school-appropriate outfits. Wednesday, 10 September was themed "Identity Swap," followed by Thursday 11 September's "Anything but a Bag" day, where students carried their school supplies in unconventional items. On Friday 12 September, ATAR students were granted study leave, and Workplace Learning officially commenced.

ATAR mock exams begin on Monday 15 September. In Week 1 of Term 4 (13–17 October), ATAR students will attend regular classes from Monday to Thursday to receive feedback and targeted exam preparation. General course students will return on Friday 17 October for the Year 12 Final Assembly during Period 1. Year 12 students to attend the assembly and are invited to morning tea with their guests immediately following. Students will be asked to leave the school grounds after morning tea, marking the official end of their high school journey.

Students have the opportunity attend ATAR exam preparation courses available during the break from 29 September to 10 October. A range of options are available to support students in their final exam preparations.

A discussion was held regarding Student Councillor nominations. A total of 19 nominations were received, reflecting a 60/40 split in representation. Nominations will be submitted electronically this year.

David Ford thanked Myles for the report and proposed that the Board should note the Students' Report of 8 September 2025. This was seconded by Rebecca Newton All in favour.

Finance Reports – *Sophie Norman - Manager Corporate Services* – Refer Appendix 3

David Ford proposed that the Board should note the MCS Finance Report of 8 September 2025 and Finance Committee minutes from 2 September 2025. This was seconded by Martin Flaig

The Board received a financial update indicating that the school's budget is tracking well, with recent fluctuations due to HR processing and relief allocations. Collection rates for voluntary contributions and charges were reviewed, showing a slight improvement from the previous year but still below desired levels. The 2026 budgeting process has commenced, with learning areas required to submit budgets by the end of term. Staffing and cash allocations are under review, with further updates to be provided at the next meeting.

Voluntary contribution rates currently sit at 61% for Years 7–10, slightly up from 60.69% last year. The Board discussed the impact of unpaid fees on staffing and resources, noting that non-payment can result in reduced staffing and increased pressure on budgets. The term "voluntary" was identified as problematic, with suggestions to improve messaging and parent understanding. The high cost of certain courses, such as Outdoor Education, was also discussed, including the hidden staffing costs associated with camps.

Sophie was acknowledged for her work in clarifying the contractual arrangements and fee structure for the school's electric vehicle charger, which is now operational at a cost-recovery rate.

5. Correspondence

- *Replies from Hon. Reece Whitby and Caitlin Collins regarding urgent need to address ongoing dangerous traffic situation at Duncraig SHS* – Refer Appendix 4

www.DuncraigSHS.wa.edu.au

The Board noted a reply from the Hon. Sabine Winton regarding ongoing traffic concerns near the school. While the response acknowledged the issue, it offered no immediate solutions, instead indicating that the matter is under review. Hannah von Ahlefeld also confirmed that previous correspondence had been sent to the Minister for Police, the Minister for Transport, and the Mayor of the City. Although the response from Minister Winton was limited, it was noted that she is at least partially engaged with the issue.

- *Letter of thanks to Hon. Minister Hannah Beazley regarding her speech at Cadets Induction Parade and WA Service Award for Darryl Deacon* - Refer Appendix 5

  Hannah drafted and sent a letter of thanks to Minister Beazley following her visit to present an award to staff member Daryl Deacon. During the visit, Minister Beazley observed the poor condition of the school gym, prompting Miles to highlight the need for improved facilities. The letter served both as an expression of appreciation for her thoughtful speech and as a subtle prompt to raise awareness of the school's infrastructure needs, with the hope that she may advocate on the school's behalf in future conversations.

- *Draft letter to Minister Winton regarding Invitation to Duncraig SHS and Updated of Schedule of Accommodation for Stage 2 Master Plan* - Refer Appendix 6

  The Board reviewed a letter drafted by Hannah from the Board to the Hon. Sabine Winton. The letter was developed following suggestions from MLAs Caitlin and Liam to provide feedback to the Minister on the Schedule of Accommodation for the Stage 2 Master Plan. Hannah von Ahlefeld explained that the initial draft was reworked into a more strategic and inviting message, encouraging the Minister to visit the school, view the completed Stage One facilities, and engage in discussion about Stage Two planning. The letter also highlights the school's appreciation for the opportunity to provide input and expresses interest in sharing innovative ideas that are currently in development. Caitlin endorsed the letter as ready to send, while Liam was expected to provide comments. No objections were raised by Board members, and it was agreed that the letter would be sent, in the hope that the Minister may visit in late October.

6. Matters Arising

School Building Project (Myles Draper):

- **Flooding of Science block**
  An update was provided on the flooding incident affecting the Science Block. The bottom floor sustained damage during Week 3, resulting in damaged ceiling panels in several rooms. While teaching continues around the damage, the lift remains non-operational, requiring the relocation of classes to accommodate students with mobility challenges. The stairwell, previously in excellent condition, is now peeling, and safety strips are lifting, posing a hazard. The downstairs storeroom has developed mould due to poor ventilation, and staff access is being limited for health reasons. Although the block remains functional, it has deteriorated significantly and requires repairs. Replacement parts for the lift have arrived, and repairs are expected to be completed by the end of term. Insurance assessors have visited the site, but responsibility for the faulty fittings remains unresolved. A faulty batch of eyewash stations has also been identified and will be replaced across all schools. The main concern is the presence of mould in gyprock walls, which may not be visibly apparent but poses long-term risks. The Board noted that while most classrooms are usable, the stairwell, staff office, and storm-affected areas require ongoing ventilation and remediation.

- **Updates on covered walkway**
  An update was provided on the covered walkway project. Progress has been notably slow, with delays prompting frustration. The school is currently awaiting confirmation on who will cover the additional funding required to complete the project. Follow-up on this matter is ongoing.

- **Status of Stage 2 Schedule of Accommodation for Master Plan and Myles' school visits**
  Myles gave a brief update on Stage Two of the school's master plan. The school is still awaiting further information regarding the next steps. The matter continues to be monitored, with updates to be provided as they become available.

- **Pool: Discussions with StateSwim**
  The Board engaged in a comprehensive discussion regarding the feasibility of constructing a swimming pool on school grounds as part of the Stage Two Redevelopment Master Plan. Two pool providers were approached to assess the viability of a shared-use model, where the school would lease the pool during school hours and the provider would operate it outside of those hours. State Swim conducted a site visit and provided a feasibility study, indicating that a 25m pool could work within their business model. The proposed location is at the rear of the school, where demountables are currently situated. While the concept is promising, feedback received by the School Board from Victoria Burrows-Bilton, Head of the DSHS Triathlon Academy, highlighted a preference for a 50m Olympic-size pool to meet the needs of the program. However, Myles noted that this may not be feasible due to space constraints and significantly higher running costs due to increasing the volume of water and heating requirements. However, based on this feedback the Board discussed alternatives, including a 40m pool or additional lanes, with flexibility around depth and temperature. The Board also underlined the importance of identifying non-negotiable features, such as safe depth for tumble turns, and distinguishing them from flexible elements was emphasised. A collaborative approach involving key stakeholders, including State Swim, Vic Burrows-Bilton and the Health and Physical Education team, was recommended to refine specifications and explore innovative solutions.

  Concerns were raised about internal communication, with some staff unclear about the purpose of the pool and its intended use. Misconceptions included assumptions that the pool was solely for triathlon training or that it would divert resources from other urgent infrastructure needs. The Board agreed that a clear communications strategy is essential before engaging broader stakeholders, ensuring alignment and transparency around the rationale and benefits of the project.

  Financial modelling suggests that the school could recover a significant portion of the lease cost through student swimming fees and curriculum-based programs, though a shortfall of approximately $50,000 would likely remain. The pool would be enclosed and heated for year-round use, offering potential benefits such as reduced transport costs, improved access for students, and enhanced physical education opportunities. The possibility of constructing a fitness centre above the pool was also raised, further enhancing the school's facilities.

  The next step involves writing to the Department of Education to seek in-principle support for the concept. If approved, the school would proceed to formal procurement, legal review, and stakeholder engagement. The Board expressed support for continuing the investigation, recognising the long-term value of the project while remaining realistic about potential compromises and limitations.

<u>Update on School Business Plan and Combined School Board meeting (Myles Draper)</u>

Myles Draper presented an update on the development of the School Business Plan, supported by two draft documents outlining the current progress. The first document includes the school's vision and values—Care, Engage, Excel, which have been retained following stakeholder feedback. These values are supported by input from students, staff, and previous Board discussions. The second document outlines the strategic priorities, structured into three key focus areas: Student Experience, Staff Expertise, and School Ecosystem. Each priority includes detailed descriptors and initiatives, such as community partnerships, industry and tertiary education links, transition support, wellbeing, and cohesive practice. These priorities reflect feedback gathered from various stakeholders and aim to guide the school's strategic direction. Myles invited Board members to review and provide feedback on the documents, noting that the naming of the priority areas is flexible and open to refinement. Further development of the front section of the plan is underway and will be shared at a later stage.

Update on COMPASS implementation (Kellie Ketteringham)

An update was provided on the implementation of the Compass system. Staff are continuing to refine processes and simplify usage as they become more familiar with the platform. Feedback from parents has not yet been formally collected, though informal comments were shared during the meeting. One parent noted challenges with managing multiple profiles, particularly when having children enrolled at different schools using Compass. Switching between parent and staff profiles can be confusing, especially when receiving notifications. It was acknowledged that this may be a broader issue for departmental feedback. The upcoming retirement of the Seqta platform by the end of the year was noted as a positive change, reducing the number of systems parents need to navigate. Overall, while Compass is functional and accessible, some users have experienced difficulty locating specific forms or features, indicating a need for clearer guidance and support.

Traffic Safety Update (Myles Draper)

An update was provided on traffic safety concerns near the school. It was noted that there are no significant developments to report at this stage. The matter remains ongoing, and the school continues to monitor the situation.

Update from Student Services (Kellie Ketteringham)

Kelly provided a brief update from Student Services, noting that the current focus is on supporting Year 12 students as they prepare to leave at the end of the week. Attention is also shifting to Year 11 students, with planning underway for their transition. In addition, preparations have commenced for incoming Year 7 activities scheduled for next term, with efforts being made to ensure a smooth and welcoming start for new students.

P&C news (Hannah von Ahlefeld)

The next meeting is scheduled for Wednesday10 September.

School Board Heads Up (Rennae Young)

Rennae provided an update regarding CAB registrations. Clearance for Courtney and Eileen is still pending, which is delaying the finalisation of their registrations. It was noted that Jun's registration was flagged as incomplete due to his age, requiring additional clearance as he has turned 18. Rennae confirmed that once the necessary clearances are received, the registrations can be finalised. She will follow up to ensure all documentation is in order.

Noted

7. Any Other Business.

Proposed Indonesian Languages Tour 2026

Renay provided a brief update on planning currently underway for the Indonesian Languages Tour. The tour will involve approximately seven students and is being coordinated in partnership with Canning Vale Secondary College. Students will travel to Indonesia as part of an overseas language and cultural experience. Further details will be provided at the next meeting. The Board expressed general support for international language tours.

Science Building flood

Discussed above in Item 6.

Discussion on AI for teachers and students at next meeting

Move forward to next meeting

Demountables

An update was provided on the status of the demountable classrooms. The demountable located behind Readshaw is scheduled for removal during the upcoming school holidays, along with one or two others from the rear of the site. Two additional demountables are expected to be removed early next year.

The school will retain the two older demountables further back on site as they are currently needed to accommodate staff due to ongoing space reallocation. This includes the expansion of music facilities, which will allow media to move into a new space, prompting a three-way relocation of staff. Additional work is also underway in the former Home Economics/Arts room to support the growing tourism program. A full update will be provided at the next Board meeting.

Parent Engagement and P&C Collaboration Discussion

The topic of parent engagement was raised in connection with recent Board discussions around school fees. Brendan Everett suggested that stronger parent engagement could help mitigate concerns around fees as feedback from parents often reflects broader issues of connection and involvement with the school. Hannah noted that both the Board and the P&C had during COVID started a Family Engagement Committee, although it had been challenging to engage parents in the events and activities organised as part of this initiative. There was discussion about the potential to resume dialogue between the Board and the P&C, particularly in light of the P&C's proposal to increase the P&C Voluntary Contribution for the following year. As communication to parents regarding fees and charges is yet to be sent, there is an opportunity to align messaging and potentially develop a joint communication strategy. It was agreed that a clear plan outlining specific engagement activities and events would be necessary to gain traction. Support from the school's events team was offered, acknowledging their limited capacity but willingness to assist. Brendan also highlighted the potential to leverage parent expertise within the school community, suggesting the development of a register to identify skills and areas of interest among parents willing to contribute. The Board has previously discussed the need for a mechanism to identify and utilise expertise within the broader school community, and there was interest in exploring this further. It was agreed that the topic requires dedicated space for further development and could be addressed at a future meeting or offline.

Meeting closed at 7:38pm.

School Board – Meeting Dates 2025

TERM 3	8 September
TERM 4	3 November - 2026 Charges and Contributions and Booklists approval **8th December - Draft 2026 Budget review (date changed)**

www.DuncraigSHS.wa.edu.au

APPENDIX 1

MINUTES OF PREVIOUS MEETING
11 AUGUST 2025

SCHOOL BOARD MEETING MINUTES

Date: Monday 11 August 2025
Venue: Conference Room, Administration Office
Time: 6.00pm – 7.30pm

Meeting Opened: 6:00pm

Attendance and Apologies
Present: Myles Draper (Principal), David Ford (Co-Chair & Staff), Sophie Norman (MCS), Kellie Ketteringham (Staff), Renay Down (Staff), Martina Gilligan (Staff), Martin Flaig (Parent), **Vinh Nguyen (Parent), Brendan Everett (Parent)**, Vilko Poznovia (Community), Jake Wilkins (Parent), **Hannah von Ahlefeld (Chair), Rebecca Newton (Parent), Piper Allison (Head Girl), Jun Matsuda (Head Boy), Andy Newton (Year 12 Student Councillor)**

Apologies: Aileen Eiszele (Co-opted), Courtney King (Parent), Michael Quirk (Co-opted), Rennae Young

Minutes: Sophie Norman/Hannah von Ahlefeld

Acknowledgement of Country
David Ford gave the welcome to country. "We respect and honour the traditional custodians of this land, the Whadjuk Noongar people. We acknowledge the histories, traditions and living cultures of Aboriginal and Torres Strait Islander peoples on this land and commit to building a brighter future together. *Nguny djurapin, nguny koort djurapin wanganiny noonakoort*. We are happy, our heart is happy to be speaking with you all."

1. **Welcome**
David Ford welcomed all Board members to the meeting and extended a special welcome to Aileen who was recently nominated by the Board as a co-opted member.

2. **Report on Student *Leadership* Portfolio: Sustainability – *Jun Matsuda and Andy Newton* - School Uniform Upcycling Project – Refer Appendix 1**

The School Board NOTED the report and THANKED Jun Matsuda and Andy Newton for leading this challenging initiative, with the support of the Climate Crew and other Councillors.

Myles suggested that the group could contribute to the current review of the Department of Education' Common Use Arrangement (CUA). Schools are encouraged to work with CUA-approved suppliers to ensure consistency, quality, and compliance with procurement standards.

The Board suggested that any future changes to school branding, particularly those that affect uniforms, should be accompanied by a clear and sustainable process for collecting and repurposing existing uniform items – and could be reflected in the School Uniform Policy. This approach would help minimise waste and align with broader sustainability goals. Establishing such a process ensures that uniform transitions are managed responsibly and with consideration for the wider school community. These tasks will be part of the legacy of the Sustainability portfolio.

3. **Minutes of Previous Meeting – 16 June 2025 - Refer Appendix 2**
David Ford proposed that the Board should approve the Minutes of 16 June 2025 as true and correct. This was seconded by Renay Down and Martin Flaig. All in favour.

4. Committee Reports

Principals Report – *Myles Draper* – Refer Appendix 3
David Ford proposed that the Board should note the Principals Report of 11 August 2025. This was seconded by Rebecca Newton. All in favour.

As we continue to evolve our specialist programs, a number of changes are being considered to better reflect community expectations and student interest areas. The two areas we are looking at is around The Arts and Science and Technology.

Building Update
The current facilities are no longer adequate for the scale and ambition of our programs, and a purpose-built Performing Arts facility is now a priority. This approach aligns with successful models such as Willetton Senior High School, where a gymnasium, similar in structure to ours, was converted into a dedicated Performing Arts space. Their transformation has significantly enhanced student engagement and program delivery, and we aim to achieve similar outcomes.

Discussions around modifying the fencing around the school to improve traffic flow and safety. These changes would better manage vehicle access during peak times and reduce congestion. Currently, staff are not insured for traffic monitoring duties, and these tasks are not included in their Job Description Forms (JDFs). This raises concerns around liability and workload.

Pool discussions are ongoing to establish feasibility of this project.

Students' Report – *June Matsuda and Piper Allison* – Refer Appendix 4
David Ford proposed that the Board should note the Students' Report of 11 August 2025. This was seconded by Martia Gilligan. All in favour.

Finance Reports – *Sophie Norman - Manager Corporate Services* – Refer Appendix 5
David Ford proposed that the Board should note the MCS Finance Report of 11 August 2025 and Finance Committee minutes from 5th August 2025. This was seconded by Rennay Down.

5. Correspondence

- Replies from Hon. Reece Whitby and Caitlin Collins regarding urgent need to address ongoing dangerous traffic situation at Duncraig SHS – Refer Appendix 6. While these responses were welcome, they did not address any of the issues expressed in the Chairs' original letter. Indeed, the traffic warden application was lodged several years ago, not this year. The school must now wait for the outcomes of the application.

- Reply from Minister Winton - Refer Appendix 7 re. urgent need for a covered walkway. The Board welcomed this letter though the situation is complicated and will unlikely result in a quick outcome.

Noted.

6. Matters Arising

Updated School Board Terms of Reference 2025 (Hannah von Ahlefeld)

The updated Terms of Reference, allowing Head Students two seats on the Board, have been endorsed by the Board through written procedure and checked by the Leadership Institute. The document is now available on the school web site.

Update on Stage 1 School Building Project, including uncovered walkway, and Feedback on Schedule of Accommodation for Stage 2 Master Plan (Myles Draper)

Hannah and Myles thanked those Board members who participated in the Information and Strategy Session for Stage 2 Redevelopment on 1 August 2025, which was also attended (remotely) by Liam Staltari, MLA. The focus of this meeting was to provide feedback on the Department of Education's Schedule of Accommodation for the Stage 2 Master Plan. Hannah reminded the Board that successive principals had been advocating for a Master Plan for more than one decade. Myles relayed his team's detailed feedback to the Department of Education, highlighting the need for more space for our specialised Triathlon, IMSS and G&T programs, namely:

- **Performing Arts Theatre (250-seat)**. The proposed upgrades to Performing Arts are still insufficient to support our programs, especially as the scale and ambition of our Arts program grows. A purpose-built Performing Arts facility is now a priority. The Department may be reflecting on successful models such as Willetton Senior High School, where a gymnasium, similar in structure to ours, was converted into a dedicated Performing Arts space. Their transformation has significantly enhanced student engagement and program delivery, and we aim to achieve similar outcomes. Myles will be conducting school visits in the coming weeks. We cannot run classes in a 250-seat auditorium, especially **ATAR Drama, Dance and IMSS Music Program**. Our current theatre, built 20 years ago, is 180-seat. There also concerns about the lack of sound proofing in the music rooms. This was integrated into designs and costing in Stage 1 but dropped.
- **Gymnasium**. This space is also very confined for a school of this size, especially with our **Triathlon program**. We question the size - and only 1 basketball court? The staff room is still too small and there is no allocation for storage of bikes or trailers for Triathlon and other programs.
- **Fitness Centre**. Again, this space is unusually small for a school of this size, compared to other schools and considering that our Tri students cannot be accommodated in the space.
- **Automotive space and D&T lack of staff room**. There is only 1 space allocated but this is not enough. There is still no allocation of a staff room for our D&T staff.
- **Cafeteria**. It is very small considering the additional 7 primary schools our P&C canteen service.
- **Bushland**. The proposed construction of another general building to the north of the school would mean the destruction of the remaining bushland. This would be met with a lot of community resistance. Other options should be considered.

Update on COMPASS implementation (Kellie Ketteringham)

Weekly meetings are being held to continue embedding new functionality. In 2026, Learning Resources will be transitioned to COMPASS, with SEQTA scheduled to be decommissioned at the end of 2025.

Traffic Safety Update (Myles Draper)

Myles reported that the school and local MLA had received complaints from neighbours about parking on verges, which the school was addressing. There are also ongoing discussions around modifying the fencing around the school to improve traffic flow and safety. These changes would better manage vehicle access during peak times and reduce congestion. Currently, staff are not insured for traffic monitoring duties, and these tasks are not included in their Job Description Forms (JDFs). This raises concerns around liability and workload. Install electrified gates is a possible solution. These gates will operate independently of staff availability, helping to avoid issues when staff are sick or delayed, and ensuring consistent access control.

Update from Student Services (Kellie Ketteringham)

An update from Student Services was provided by Kellie Ketteringham, including key upcoming events. Kellie, with AP Caroline Crosbie and Year Co-ordinator Anthony Salpietro, is focused on supporting Year 12 students as they approach the completion of their final year. Additionally, attention is being given to the election of new student leaders, with processes in place to identify and appoint students who will take on leadership roles for the upcoming school year.

www.DuncraigSHS.wa.edu.au

P&C news (Hannah von Ahlefeld)

The P&C has contributed to the new staging for the school, supporting improvements to performance and event infrastructure. The next P&C meeting is 10 September.

School Board Heads Up (Rennae Young)

Rennae is organising School Board training. Aileen & Courtney to complete their Nationally Coordinated Criminal History Check (NCCHC) as requested by Rennae. Additionally, Rennae will check the status of all Board members' Working with Children (WWC) clearances and will contact any members whose renewals are due.

Noted

7. **Update on School Business Plan 2026-28 and Combined Board meeting** (Myles Draper)

Myles presented a summary of feedback gathered from recent student and staff workshops, along with an overview of the processes the Executive team has been undertaking to identify key themes and priorities. Engagement with staff, students, and the School Board will continue as the work progresses. It was noted that a combined Senior Staff and School Board meeting may be considered if required.

Noted – Kellie / Brendan

8. **Any Other Business.**

Solar panels for the school and energy audit

Myles met with Vinh and Hannah to discuss the installation of solar panels at the school. Despite students and Board advocating strongly for more solar for many years, a meagre 20 KW system was installed in the new buildings. In addition, the school has been unsuccessful in each round of grants for the School Clean Energy Technology Fund. Another solution must be found. Vin has initiated contact with solar companies to seek potential support, either through capital contributions or equipment provision. He is also liaising with Western Power to explore possible dispensations or reductions in associated charges. Myles and Vin will continue to provide updates to the Board as appropriate. Note that in 2024, Alan Benn, a volunteer from Envirohouse in Bayswater, commenced an energy audit with Year 10 HaSS students, teacher Kelly Reynolds, Climate Crew and Hannah. Alan completed an initial analysis of data and is happy to complete the audit with Year 10 G&T students now that Stage 1 Redevelopment is complete. Myles will meet with Alan to discuss the audit and related matters.

Science Building flood

An incident occurred involving the failure of an eye wash hose connection, resulting in significant water ingress throughout the building. Water spread down the stairwell, into classrooms on both upper and lower levels, and affected electrical and communication equipment as well as the lift shaft. It is expected that classes will resume late Tuesday or Wednesday, pending formal sign-off from the building inspector and the Department of Housing and Works.

The Board and Renay Down, Science 2IC, expressed its appreciation to the Science team and other supportive and accommodating staff, in addition to the amazing Corporate Services team, for their flexibility and support in managing this challenging situation.

Meeting with Tom French – Federal Labour MP for Moore

On 4 August 2025, Tom French, Federal Labor MP for Moore, visited the school to meet Myles, David and Hannah. It was a convivial introductory meeting, also attended by DSHS Alumnus Class of 2024 Tilly McCagh, Tom's Community Engagement Officer.

Meeting closed at 7:35pm.

School Board Report

Date: 8 September 2025
From: Principal, Myles Draper

Duncraig Senior High School

Dear Duncraig Senior High School Board members (Boardies),

Please find below my School Board Report.

It's my pleasure to present this Principal's Report, highlighting recent events, achievements, and developments at Duncraig Senior High School. The past fortnight has been filled with vibrant learning experiences, student successes, and community engagement. Despite some unexpected challenges, our staff and students have demonstrated resilience, creativity, and a strong sense of school spirit. I'm proud to share the following updates with the Board.

Looking ahead, we're excited for the upcoming Athletics Carnival on Tuesday, 9th September. It's always a highlight of the school calendar and a great opportunity to come together in the spirit of friendly competition and school pride.

As our Year 12 students approach the final weeks of their secondary education, we extend our congratulations to them for their hard work, perseverance, and contributions to the school community. Their commitment throughout the year has been commendable, and we wish them every success as they prepare for their final examinations and transition into life beyond school.

Thank you for your continued support of our school. I look forward to discussing these updates further at the upcoming Board meeting.

Facilities and Operations

The school recently experienced flooding in the new Science block, which required a coordinated response to minimise disruption to teaching and learning. Staff adapted quickly to ensure continuity of lessons and student safety.

Teaching and Learning

Staff have engaged in ongoing professional development through the QTIP program, with recent sessions focusing on assessment, questioning, and feedback. These sessions have encouraged reflective practice and collaboration across teaching teams.

House Assemblies for Year 7 and 8 students have focused on developing organisational skills, including the use of digital calendars and checklists. Attendance and house points were also celebrated to reinforce positive habits and engagement. SBAE testing was also conducted smoothly, supporting student pathways and academic planning.

Student Engagement and Wellbeing

A variety of initiatives have supported student wellbeing and engagement. The Year 11 Breakfast Club was launched to provide high-achieving students with a space to connect and grow. The final Year 12 Breakfast Club event celebrated senior students as they prepare for graduation, with sessions focused on transitioning to university life.

Wear it Purple Day was recognised as part of the school's commitment to inclusion and support for LGBTQIA+ students. Activities included themed dress and a student-led fundraiser to promote awareness and community spirit.

Curriculum Enrichment and Cultural Programs

Students have participated in a range of enrichment activities. As part of Science Week, a guest academic from Curtin University presented to senior science students. The Indonesian Cultural Incursion offered interactive workshops that deepened students' understanding of Indonesian language and traditions.

The Japanese Exchange Program continues to enrich the school's cultural life, with a recent gala ceremony celebrating the partnership. Orientation activities were also held for incoming Gifted and Talented students and their families, helping them feel welcomed and informed.

Performing and Creative Arts

The school production of *The Addams Family* concluded with a successful final performance, showcasing the talents of students and staff. Senior dance students participated in the *School to Stage* showcase, delivering high-quality performances. Student artwork was also featured in the Young Originals exhibition, highlighting creativity and talent within the school.

Book Week was celebrated with a range of activities including an author visit, musical performances, trivia challenges, and a costume parade. The library was transformed with a themed display, and additional events such as a sausage sizzle and bake sale contributed to the festive atmosphere.

Student Achievements

Students have achieved notable success in recent weeks. One student was awarded a fully funded trip to an iron ore mine through the *Get into Resources* program, gaining valuable industry experience. Another student represented Australia at the Asian U16 Volleyball Championship in Thailand, demonstrating excellence in sport.

Sustainability and Community Engagement

The Climate Crew Kitchen Garden was officially opened, providing a new space for sustainability education and hands-on learning. The annual Parent Opinion Survey has been distributed to families, providing an opportunity for feedback and input into school improvement.

Planning and Development

Preparations for the upcoming school year are underway, including budgeting and recruitment processes. Staff feedback from the Annual Teaching and Learning Survey is being used to inform planning and development, with a continued focus on delivering high-quality education and supporting student success.

Staffing Update

MCS REPORT - FINANCE COMMITTEE

Monday 1st September 2025

One Line Budget 2025

Our 2025 projected forecast surplus is now $544 888 (down from $655 359 in Aug 2025). This is slightly down on projection, but tracking similar to our position same time last year (Aug 2024 projected surplus was $551 886).

Salaries (HRMIS)

We have expended $14 467 032 on salaries (YTD 1st September 2025) with forecast salaries surplus now $279 765 (down from $331 303) last Finance Committee meeting.

Casual salaries are under expectations for YTD with $294 494 spent. There are some areas which had no budget set which now have a negative balance which are being investigated to ensure things are being coded correctly in HR / Payroll.

Cash

YTD we have spent $1 711 749 (budgeted $3 121 333). Our forecast cash variance has decreased slightly to $265 122 (from $324 055). Term 3 and Term 4 are usually higher in cash spend across the school.

Reserves:

We currently have $842 828.65 in reserves, with 2026 Reserve Plans being reviewed and updated as part of the 2026 Budgeting process. This doesn't vary much unless there is a significant purchase, which would need to be approved via Finance Committee.

Collections & Charges

Locally raised funds (Voluntary Contributions & subject charges) collections have increased since last Finance Committee which is positive.

2025 Yr7-10 Voluntary Contribution rate is 61.42% exc EPA
2024 Yr7-10 Voluntary Contribution rate was 60.69% exc EPA

2025 Charges Yr7-10 rate is 72.88%
2024 Charges Yr7-10 rate was 70.46%

2025 Charges Yr11-12 rate is 80.43%
2024 Charges Yr11-12 rate was 74.00%

Bank Accounts

As at 2nd September 2025, bank balances are:

- Cheque account $1 432 623.81
- Investment $ 859 681.95
- Building Fund $ 0.01

APPENDIX 4
REPLY FROM HON. SABINE WINTON REGARDING URGENT NEED TO ADDRESS ONGOING DANGEROUS TRAFFIC SITUATION AT DUNCRAIG SHS

Hon Sabine Winton MLA
Minister for Education; Early Childhood;
Preventative Health; Wheatbelt

Our ref: 81-10702/20

Ms Hannah von Ahlefeld
Chair

Mr David Ford
Co-chair
Duncraig Senior High School Board

hannah@ahlefeld.com

Dear Ms von Ahlefeld and Mr Ford

TRAFFIC ISSUES AT DUNCRAIG SENIOR HIGH SCHOOL

Thank you for your letter regarding your concerns about the traffic situation around Duncraig Senior High School. I note that you have also addressed your letter to Hon Rita Saffioti MLA, Minister for Transport, and Hon Reece Whitby MLA, Minister for Police. I am also responding on their behalf.

I have been informed that the Western Australia Police Force is responsible for overseeing children's crossings. The Western Australia Police Force chairs and administers the Children's Crossings and Road Safety Committee, which has responsibility for assessing, implementing, and managing children's crossings.

The Department of Education and the Western Australia Police Force advise that Duncraig Senior High School has lodged 2 children's crossing applications with the Children's Crossing Unit within the Western Australia Police Force, for Sullivan Road and Renshaw Road. I understand these applications are currently being assessed and have not yet been determined by the Children's Crossings and Road Safety Committee.

With regard to the broader issues around the school on traffic management, bus pick-up zones, general parking, and associated infrastructure, I have asked the Department work with the City of Joondalup and the school to investigate the issues identified in your letter. I note that some of the issues raised relate to matters to be considered by Main Roads WA.

Level 5, Dumas House, 2 Havelock Street, West Perth, Western Australia 6005
Telephone: +61 8 6552 6100 Email: Minister.Winton@dpc.wa.gov.au

I will also advise the other addressees in your letter about the above action.

Thank you for bringing this matter to my attention.

Yours sincerely

HON SABINE WINTON MLA
MINISTER FOR EDUCATION

27 AUG 2025

APPENDIX 5

LETTER OF THANKS TO HON. HANNAH BEAZLEY REGARDING HER SPEECH AT CADETS INDUCTION PARADE AND WA SERVICE AWARD FOR DARRYL DEACON

Duncraig Senior High School

1 September 2025

The Honourable Hannah Beazley BA MLA
Minister for Local Government; Disability Services; Youth; Volunteering; Gascoyne
Dumas House, 2 Havelock Street
West Perth WA 6005

Dear Minister,

On behalf of the Duncraig Senior High School Community, we would like to express to you and Pierre Yang MLC our appreciation for attending our Cadets Induction Parade on 29 July 2025.

We are immensely proud of our Cadets and the staff, former staff and other friends who lead them. Your heartfelt speech highlighted to our entire school community your admiration for our Cadet Unit and leaders, and your commitment to this successful and long-running program. We sincerely hope that the Department of Communities continues to provide strong support for the Cadets for many years to come. We see very clearly how the knowledge, skills and values fostered in this program are helping to build tomorrow's leaders. It is no co-incidence that many Cadets also participate in Climate Crew and take on leadership roles in the school and beyond.

Your presence was also significant because it shone a light on the inimitable Darryl Deacon. Darryl's service to our Cadets and to education in general, as a HaSS teacher and founder of our Japanese Exchange Program, makes him a most worthy recipient of the WA Service Award. As you will have noted from Darryl's speech, he is a generous, gracious and charismatic leader who brings out the best in all who cross his path. The cold, inauspicious venue did not dampen the audience's pride at watching him receive this honour. One day, we hope to welcome guests to a venue that is worthy of the extraordinary staff and young people working there.

Thank you once again, Minister, for your invaluable support.

Sincerely yours,

Myles Draper
Principal
Duncraig Senior High School

Hannah von Ahlefeld
Chair - School Board
Duncraig Senior High School

APPENDIX 6

DRAFT LETTER TO MINISTER WINTON REGARDING SCHEDULE OF ACCOMMODATION FOR STAGE 2 MASTER PLAN

www.DuncraigSHS.wa.edu.au

The Honourable Sabine Winton BA BPS MLA
Minister for Education; Early Childhood; Preventative Health;
Wheatbelt
Dumas House, 2 Havelock Street
West Perth WA 6005

2 September 2025

Subject: Invitation to Duncraig SHS and Update on Stage 2 Redevelopment of Duncraig SHS

Dear Minister,

On behalf of the Duncraig Senior High School Community, we would be honoured to welcome you to our school to visit the completed Stage 1 Redevelopment. Staff, students and families are thrilled with the new Science and English blocks, and Visual Arts and Technologies classrooms, which are all in full use.

We are also writing to convey our gratitude for your efforts to address the urgent need for a Stage 2 Redevelopment at our school, perfectly imparted by Liam Staltari, MLA, Member for Carine, in his Grievance to Parliament of 29 May 2025. We too are proud of the strong bipartisan support for the Stage 2 Redevelopment - and wish to acknowledge both Liam and Caitlin Collins for their inspiring leadership and advocacy.

In July 2025, we were delighted to receive a Schedule of Accommodation for a Master Plan for the Stage 2 Redevelopment from the Department of Education. Our staff, notably the Design and Technologies, Arts, Physical Education and Health, and Canteen teams, provided detailed feedback for the Department's consideration.

We brought the following issues to the attention of the Department because we were concerned that some of the current plans may continue to hinder the provision of education, especially for our specialised programs, limit the potential for community use, and have a detrimental impact on the environment.

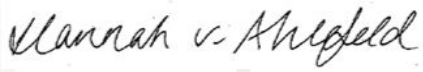
The proposed plan – built for a projected capacity of an additional 200 students (so 2050 students), with a 250-seat performing arts space, sports hall and fitness centre – still does not provide sufficient learning space for existing enrolments in regular courses like Drama, Dance or Health and Fitness, or for specialised programs and services, namely Triathlon, IMSS Music Program and Canteen, which services 7 surrounding primary schools. We welcome the re-introduction of elements removed from Stage 1 Redevelopment, notably the Administration and D&T Blocks, although we cannot run our Automative program with only 1 additional hoist and there is still no staff room. And while additional classrooms may be needed, the community and our Bushranger Cadets will be very concerned about the further destruction of bushland. Other options, such as vertical construction, must be considered.

We look forward to working with the Department on the next iteration of the Master Plan Schedule of Accommodation and, like Stage 1, involving students, staff and community in its design.

We are currently exploring partnership opportunities to construct a pool for both school and community use and to install PVCs on the school roof, which will result in significant cost savings and help the State achieve its net zero target. We will keep you and Department informed of all developments in this regard.

We look forward to welcoming you to our school in the coming months to discuss all of these exciting developments.

Sincerely yours,



Myles Draper

APPENDIX 2

PRINCIPALS REPORT – *Myles Draper*
NOVEMBER 2025

www.DuncraigSHS.wa.edu.au

School Board Report

Date: 3 November 2025
From: Principal, Myles Draper

Duncraig Senior High School

Dear Duncraig Senior High School Board members (Boardies),

Please find below my School Board Report.

It's my pleasure to present this Principal's Report, highlighting recent events, achievements, and developments at Duncraig Senior High School. As always, Term 4 has begun with great energy and a full calendar of events.

Student Wellbeing and Engagement

This term commenced with Legal Aid presentations for students in Years 7 to 10, covering cyberbullying, sexting, and substance use. These sessions are a vital part of our wellbeing strategy, promoting safety and informed decision-making. Thank you to all staff who supported these events.

We also celebrated our Year 12 Gifted and Talented students and their families at a special dinner event, recognising their achievements and the support networks behind them.

The Year 12 Final Assembly was a memorable occasion, marking the end of their journey at DSHS. Colours Awards were presented, and we welcomed our 2026 student leaders, including Head Boy Jack Visser and Head Girl Linea Gifford.

Performing and Creative Arts

The Arts department has been a hive of activity, with a series of outstanding events showcasing student creativity and talent. These included:

- Dance Showcase
- Visual Arts & Photography Exhibition
- Media Night
- Music Gala

I had the pleasure of attending most of these events and was thoroughly impressed by the professionalism and passion demonstrated by our students and staff.

Community and Sustainability

The Climate Crew hosted a successful fundraiser featuring a screening of *Coral's Last Stand*, a cake stall, and gold coin donations. This initiative raised awareness about ocean conservation and supported future sustainability projects.

We also held a morning tea to thank Hannah von Ahlefeld for her dedicated service as School Board Chair. It was great to see our community come together to acknowledge Hannah's leadership and contributions.

Strategic Planning

We continue to make strong progress in strategic areas, including budget planning, recruitment, and development of the 2026 Business Plan. These efforts are essential to ensuring a successful year ahead for our students, staff, and wider school community.

Thank you for your ongoing support. I look forward to discussing these updates further at the Board meeting.

Staffing Update

- Reid Hamilton (Phys Ed)
- Claire Platt - Full Time – Student Services (for Term 4 only)
- Vicky Van Rooyen - 2 days per week – Student Services (for Term 4 only)
- Archie Robinson – 3 days per week – Education Assistant (Term 4 only)
- Jonna Philbrick – 2 days per week – Education Assistant (Term 4 only)
- Jacqui Jackson – 2 days per week – Education Assistant (Term 4 only)

In Students Services Adam Taylor is back in the Year 11 & 12 SSM seat, Kelly Year 7 & 8 and Danielle Year 9 & 10.

Events and Activities:

- Year 12 GAT Celebration Dinner
- Dance Showcase
- Visual Arts & Photography Exhibition
- Media Night
- Girls in Engineering – Year 7 to UWA
- Music Gala
- Interschool Athletics Carnival

Minutes - Finance Committee

Meeting No.7/2025

Meeting Location: Duncraig Senior High School Conference Room Meeting date: 28 October 2025	Chair: Sophie Norman Minutes: Isabelle Cox

1.0	**Welcome and Apologies**	**Myles Draper**
1.1	**Opening and Welcome:** Myles Draper, Steve Galvin, Danielle Allwright, Elizabeth Clark, Tiffany Annetts, Sarah Feagan, Boris Ioannidis, Kellie Ketteringham, Isabelle Cox (Minutes) David Ford, Sophie Norman, Stephen Galvin	
1.2	**Apologies:**	
	We respect and honour the traditional owners of the land on which we are able to live, learn and thrive on, the Whadjuk Noongar people. We pay our respects to Elders past and present. We acknowledge the histories, traditions and living cultures of Aboriginal and Torres Strait Islander peoples and commit to building a brighter future together. **Nguny djurapin, nguny koort djurapin wanganiny noonakoort.** ***Phonetic*** **-** *Nung jer-pin Nung court jer-pin wanggang-inny noon-a-court* ***English*** **-** *We are happy, our heart is happy to be speaking with you all.*	
2.0	**Endorsing of Previous Minutes**	**Sophie Norman**
2.1	*Minutes from 02/09/2025 Endorsed by: David Ford Seconded by: Danielle Allwright*	
3.0	**Business Arising from Previous Minutes**	**Sophie Norman**
3.1	**Carnival Fundraising allocation** Sausage Sizzle raised $1,133.05. Phys Ed would like to retain this money this year as they did all the work organising the Sausage Sizzle. Next year – we will ensure the running of the Athletics Carnival is put out to tender in advance.	Approved
3.2	**Executive Approvals** *(for noting)* - Fundraising for Media night – 20th October 2025 - Fundraising for Climate Crew – Film Screening 20th October 2025	Noted

4.0	**School Financial Position**	**Sophie Norman**
4.1	**a) MCS Report** b) School Financial Summary as at 271025 c) Comparative Budget as at 241025 d) Supplementary Salaries budget vs expenditure 241025 e) Collection Rate Calculator as at 271025	• MCS report presented and noted • School Financial Summary report presented and noted • Comparative Budget report presented and noted. • Supplementary salary table was presented to show the current additional relief days. • Collection Rate Calculator was presented and noted
5.0	**Fundraising Applications - *indicate whether to be input taxed***	**Sophie Norman**
6.0	**Completed Fundraiser Review**	**Sophie Norman**
	Containers for Change Cadets - $504.36	Noted
	Containers for Change Climate Crew -	
	Small Business – RSPCA - $899.05 – Paid 8/8/2025	
	Bake sale Bookweek - Dandelions HomeEc - $549.14 – Paid 18/09/2025	
	AtoZ - Wear it Purple Day - $274.50 – paid week 8 Term 3.	
	Athletics Carnival Sausage Sizzle – $1,133.05	
	RUOK Day Bake Sale - Headspace HomeEc - $492.56	
	World's Greatest Shave - Harry Perkins – handled by students and donated directly	
	Climate Crew - Australian Marine Conservation Society - $339.00	
	Media Night – Arts – transferred back to Media Budget	
	Small Business - Operation Christmas Child	
7.0	**Discussion Items**	**Sophie Norman**
7.1	**2026 Additional Costs (attachment 7.1)**	Refer to Additional Costs 2026.xlsx. Those costs which have increased were reviewed and discussed with justification for increases provided. Approved - David Ford Seconded - Tiffany Annetts

7.2	**2026 P&C Voluntary Contributions (attachment 7.2)**	Increase from $25 to $35 as per request from the P & C Approved - Liz Clark Seconded – Kellie Ketteringham
7.3	**2026 Resource Lists (Attachments 7.3a-f)**	Request to include an optional study diary / planner into book list across all years. Discussion around formatting of the documents and ease of 'read' for parents. While we are bound by the limitations of the Campion system – we have committed to reviewing this next year. Reviewed and approved Approved – Sarah Feagan Seconded – David Ford
7.4	**2026 Subject Costs (attachment 7.4)**	The 2026 Subject costs were presented and discussed. • Some practical subjects have increased due to not previously charging for the hire of specialist equipment where they should have – i.e. Visual Arts kiln, pottery wheel etc • Languages increase due to offering a new Cert course embedded in Yr10 Language subjects • A few subjects have decreased in their costs which reflected the removal of some elements. The Committee discussed requesting a 50% deposit on higher costing subjects such as Triathlon, Outdoor Ed, Food Science, some D&T and Visual Arts. This was supported by all Finance Committee members. Approved – David Ford Seconded – Tiffany Annetts
8.0	**School Funding Requests**	**Sophie Norman**
8.1	**HASS – Textbooks** Yr7-10 OBI Textbooks for new HASS WA syllabus in 2026 Campion quote for $28000 To use $19,821 from N1626 HASS reserves To use $5,000 from current D5205 HASS budget	Seek Finance Committee approval for $3720 additional funding Approved: Steve Galvin Seconded: Danielle Allwright

9.0	**DGR Committee**	**Sophie Norman**
9.1	**Financial Statements DGR Building Fund** for information to Building Fund Management Committee	Noted Approved: Kellie Ketteringham Seconded: Tiffany Annetts
9.2	**DGR Annual Audit & Reporting** Completion of annual audit and reporting to meet ATO requirements.	Reviewed and approved Approved: Boris Ioannidis Seconded: Sarah Feagan
10.0	**Budget transfers from reserves** – *for noting*	**Sophie Norman**
10.1	**Science** is buying 450 textbooks and want to use their reserves. Approx $20k in value N1628 Science Reserve balance $28 523	Noted
10.2	**Technologies** has purchased new interactive TV Transf $8704 from N1615 Info Technology reserve to D5410 N1615 balance $10 415	Noted
10.3	**Triathlon** is purchasing new replacement bikes N1616 Triathlon balance $18 754	Noted
11.0	**Any other business**	**Sophie Norman**
11.0	**Next Meeting**	**Sophie Norman**
11.1	**3.15pm Tuesday 25 November 2025**	
12.0	**Meeting Closed at 3:55 pm**	

Signed: _____
Myles Draper (Principal)

APPENDIX 4
LETTER TO HON. SABINE WINTON, MINISTER FOR EDUCATION, 10 SEPTEMBER 2025,

The Honourable Sabine Winton BA BPS MLA
Minister for Education; Early Childhood; Preventative Health;
Wheatbelt
Dumas House, 2 Havelock Street
West Perth WA 6005

Duncraig Senior High School
SCHOOL BOARD

10 September 2025

Subject: Invitation to Duncraig SHS and Update on Stage 2 Redevelopment of Duncraig SHS

Dear Minister,

On behalf of the Duncraig Senior High School Community, we would be honoured to welcome you to our school to visit the completed Stage 1 Redevelopment. Staff, students and families are thrilled with the new Science and English blocks, and Visual Arts and Technologies classrooms, which are all in full use.

We are also writing to convey our gratitude for your efforts to address the urgent need for a Stage 2 Redevelopment at our school, perfectly imparted by Liam Staltari, MLA, Member for Carine, in his Grievance to Parliament of 29 May 2025. We too are proud of the strong bipartisan support for the Stage 2 Redevelopment - and wish to acknowledge both Liam and Caitlin Collins for their inspiring leadership and advocacy.

In July 2025, we were delighted to receive from the Department of Education a Schedule of Accommodation for a Master Plan for the Stage 2 Redevelopment of our school. This document included the elements that were removed from Stage 1, notably the Design and Technologies and Administration blocks and music rooms. Our staff, including the Design and Technologies, Arts, Physical Education and Health, Canteen and Admin teams, provided detailed feedback for the Department's consideration.

We brought the following issues to the attention of the Department because we were concerned that the proposed Stage 2 Schedule of Accommodation may hinder the provision of education, especially for our specialised programs, limit the potential for community use, and have a detrimental impact on the environment.

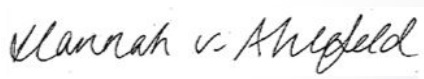
This Schedule of Accommodation – built for a projected capacity of an additional 200 students (so 2050 students), with a 250-seat performing arts space, sports hall and fitness centre – still does not provide sufficient learning space for existing enrolments in regular courses like Drama, Dance or Health and Fitness, or for specialised programs and services, namely Triathlon, IMSS Music Program and Canteen, which services 7 surrounding primary schools. We welcome the re-introduction of elements removed from the Stage 1 Redevelopment, although we cannot run our Automative program with only 1 additional hoist and there is still no staff room for our D&T teachers. And while additional classrooms may be needed, the community and our Bushranger Cadets will be alarmed by the further destruction of bushland. Other options, such as vertical construction, must be considered.

We look forward to working with the Department on the next iteration of the Schedule of Accommodation and, like Stage 1, involving students, staff and community in its design.

We are currently exploring partnership opportunities to construct a pool for both school and community use and to install PVCs on the school roof, which will result in significant cost savings and help the State achieve its net zero target. We will keep you and the Department informed of all progress in this regard.

We look forward to welcoming you to our school in the coming months to discuss all of these exciting developments.

Sincerely yours,



Hannah von Ahlefeld

ANTICIPATED ADDITIONAL COSTS 2026

Duncraig Senior High School

Charges for optional activities are dependent on the student participating in the activity i.e.excursions, special programs or general school involvement. Charges to families are calculated on a cost recovery basis and every effort is made to keep the costs to a minimum. The amounts shown are a guide only and represent the **maximum** cost that **could** be charged, however these activities are not yet confirmed, therefore may not occur during the school year.
